Madhupur

It is my heartiest congratulations to the young brains who destined to be teachers and elevated themselves to enrichment of knowledge. Now there are several challenges to our young teachers and i feel the MITT college of Madhupur must bestow excellency in their teaching skills. It is fruitful to them to surpass the challenges of the education system which demands a lot of changes today. With these words i bless trainee teachers for their prosperous teaching career.

Mr. Kishore Das

A teacher is he who knows the technique and learn anything easily to help students.

Md. Kashim Anasari
Upgraded Urdu Middle
School, Patwabad.

There are still a lots of problem in different area of our society. Many students scored good. But there are lots of students who are economically backward and not get sufficient support. I want our teachers should bring a change in education system by their love, affection and devotion and dedicate their time by implementing different technique for the upliftment of students.

Mr. Sambhu Kumar Singh
