## TEACHER TRAINEES ARE NURTURING THE INNATE TALENTES

Reaching to unreached has been MITT's mission from its inception. Student-teachers of MITT have reached to nearby schools to recognize the innate talents and nurture them to bring out the inner capacity of those students who do not get chance to show their talents. The soldiers of MITT have committed to find the multi talent through their multi dimensional activities. The commitments of trainee teachers were determined at the co-operation of MITT management.

During the period of school internship, our student-teachers have organized PRATIVA SAMMAN which provides to show the talents of those students who do not get much scope to express themselves. Approx 6,000 students have participated in various programmes like games and sports, dance, singing, drama, fashion show, recitation, quiz etc. and 6,00 students were honored by MITT in the year 2018.
