FROM THE MANAGING TRUSTEE – Shri Kishan Kejriwal

I feel glad that MITT is publishing it's first issue of News Letter. I think the name of News Letter "The MITT Communiqué" indicates how MITT is nurturing meaningful educational practices and committed to disseminate such practices to societal cause i.e. reformation in school and teacher education of Jharkhand. Many thanks to it's Editorial Board who has conceptualize its significance and sustainability in MITT journey.

Dr. Ajaya Kumar Mohanty - FROM THE PRINCIPAL'S DESK

"The MITT Communiqué" the news letter of MITT is with us after a long run discussion on its significance in MITT journey. All of us agreed to treat it as a document of all our initiatives, achievements and learning over the times. It will be the memories of work done and provide space for reflection of our direction towards the mission and vision of MITT. The yearly publications will be widely circulated to Madhusthali family, well wishers of MITT and all agencies and organizations of the MITT network .The main motto is to disseminate the good practices of MITT in all schools and teacher education institutions of Jharkhand and other states. Any one who is a part of MITT journey can express his/her feelings, emotions and success through a write up. Let's blow it's sound wave to the far-flung and remote areas for reformation in school and teacher education institutions.

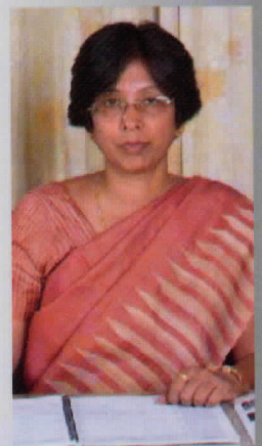

MESSAGE FROM PRINCIPAL, MADHUSTHALI VIDYAPEETH – Ms. Mily Roy Halder

Madhusthali Vidyapeeth today has an extended family in the field of education by the name "Madhusthali Institute of Teacher Training", this has created a platform for both the teacher and the taught to be groomed simultaneously which actually is the right kind of environment created for the future teachers who have taken up the challenge to shoulder their responsibilities as true guides for the cause of quality education not only in Madhupur but wherever they join as teachers.

I have been witness to growth of this institution right from the scratch, be it the idea of having a teachers training college in the campus or be it the quality of infrastructure and facilities for the same.

It is indeed a matter of great pleasure to note that the sapling of this institution once implanted by the Managing Trustee, Mr. Kishan Kumar Kejriwal is a year old tree today laden with fruits in the shape of 100% admissions, which is a reflection of hopeful scenario that young minds are looking forward to being guides professionally.

Consistently schooling minds is a wonderful portrayal of the rich inheritance of Madhusthali as an educational institution , I pray that as a team we succeed in all our future endeavors and my best wishes on the publishing of first edition of 'News Letter' from Madhusthali Institute Of Teacher Training'.

Excursion was organized to Trikuti located 15 kms. away from Deoghar district on 12th Dec.2014. It is famous for the rope way which is 1167 ft high. This was a wonderful experience as this is a place which not only exhibit outstanding architectural beauty of our ancient past but is equipped with the richness of our past glory. Such trips are not only a relief from the routine schedule of the college but equally entertaining and educational in nature. Jokes, dance and song among the peers and staffs were really enjoyable and helpful to build up an emotional bond among all. Non-stop dance with DJ sound and sophisticated food added value to the trip.

It was a fantastic experience on how to organize field study classes of students in school. We are looking forward to our next term break and hope for excursion to another zone of our rich historical past.

Workshop on Tool Development of Action Research

Pupil-Teachers were encouraged to attend the workshop to develop the tools of their own action research. Large Group discussion and small group work were the major strategies adopted for this purpose. Pupil-teachers selected cases related to achievement level of school children, parent's level of satisfaction on govt. secondary schools and quality of morning assembly and use of library in school and functionality of school management committee .

Workshop on Achievement Test Paper Development

On dates 10 /12/2014 the workshop was conducted with all B.Ed pupil-teachers. Dr. A. K. Mohanty worked as resource person and provided resource materials to all of them. All pupil teachers presented the Blueprint of test papers in different subjects. All enjoy to a lot and internalize the total process of subject and class specific test paper development.

Monthly Test

Monthly tests have been a part of continuous feedback system of pupil-teachers performance. Pupil-teachers have been encouraged to follow a peer group evaluation of their answer sheets with due guidance of faculties.

Assignment

Each student teachers has been encouraged to complete one assignment in a month. The assignments are relates to the application/practical part of theoretical topics. Which has been interesting job for the pupil-teachers. It is the composition work like drawing, painting, writing and other project work .

Special Class

MITT has been organising special classes for all students in different subjects once in a month. That has been greatly appreciated by the pupil-teachers. Power point presentation and group discussions has added value to such classes.

Art and Craft

All attempt has been made by our teacher Mr. Paresh Modak to involve all students in his art and craft classes. His friendly teaching and dedication has identified the hidden talents of student teachers. Mr. Biswas and Ms. Jayanti Gupta have been trying their best to make each one a stage performer..

MITT is a platform for those who have passion to be a teacher or educational practioner in future. The emphasis on The MITT Communiqué and its materialization through varied activities is the

PRATIBHA SAMMAN UTSAV

Date: 8th May to 14th May 2015

Practice Teaching Program is a curricular activity of B.Ed student teachers to get expose to classroom management, content transaction, student motivation and evaluation of learning. The student teachers get empirical experience and enjoy teaching of their own. MITT student teachers planned beyond the usual practice just making a decision to organise PRATIBHA SAMMAN UTSAV in their allotted schools. Its main motto was to identify, nurturing and rewarding the talents in a proper platform. Mr. K.K Kejriwal, Managing Trustee of Madhusthali Vidyapeeth Trust, Kolkata approved the idea of student teachers and given the word to extend all kinds of support for this program. It has added value to the practice teaching program and student teachers were became closer to parents, teachers, children and other community personnel for this event. The spirit of a regular school teacher and emotional bondage with school children had increased a lot among the student teachers.

Initiatives for enriching our library – Surajeet Chatterjee

MITT library is continuously putting effort to increase satisfaction level of its users. We are looking for all round development of our Pupil- teachers by getting knowledge of science and technology, research and development, human values, socio-economical sector or other fields. So that our Pupil- teachers can cope in changing world and put their effective effort in the field of education and our society.

MITT has given me an exposure towards administrative work. Preparation for admission, counseling of students, distribution of uniforms, Identity cards, preparation of students and staff profile ;and other office business is in my control and I have enjoyed it a lot.
