“ MESSAGE FROM THE MANAGING TRUSTEE

Shri K.K. Kejriwal
Chairman of MCKV Group

Realizing the scarcity of quality teaching professionals and efforts to strengthening teachers' education, the Trust prioritized the establishment of MITT in 2014. This seven year journey of MITT concentrated on materializing the essence of National Council for Teacher Education (NCTE) Regulations 2014, National Curriculum Framework 2009 and National Curriculum Framework 2005, as a result better academic achievements of students and their placement in Govt. and Private reputed schools of the Eastern Zone of India has taken place. MITT has also taken initiative to prepare efficient library professionals who can cope up with the systematic digitalization and manual storage of knowledge for quick search. Hope MITT will soon bring the complete 'HUMAN SOLUTIONS' to schools as well as Teacher Training Institutes (TTI's).

”

“

With the progress in technology, everything is changing rapidly in the entire world and so has the education system. Our endeavor as a teacher training college is not only to impart knowledge, enhancing individual skills and ability, maintaining discipline and inculcating ethical values of human behavioral aspects in our students but also to develop their overall personality so that they grow themselves in such a way as to become an example of a true torchbearer of the society. We believe that the role of education should not be limited to providing and grasping knowledge and theory. The actual goal of education is to go beyond in awarding degrees and certificates to the students. The eventual goal of education is to discover the meaningful purpose of life and serving the entire humankind with a sense of pride. The quest for education is to be knowledgeable, humane and elegant in all spheres of life. It is said, "Knowledge cannot be given but it has to be earned and character is not granted but it has to be cultivated".

MITT helps the students in developing their personalities, felicitating extracurricular activities and highlighting their overall perspectives. The ingredients of all the essential characteristics and qualities of a good and ideal institution such as highly trained faculty members, rich library, tested teaching methods, good natural environmental atmosphere etc. are available within the campus of MIIT. At MITT, we also ensure that our students get the best take off to build their career, become the smartest and knowledgeable citizens of the society, and serve our great country, the modern India, a country enriched with its heritage, culture and developing science technology.

I wish the students a very successful and prosperous career in the years to come. Last but not the least "A School is a building which has four walls with tomorrow inside" (Lon Watters)

With warm wishes.....

Dr. Jolly Sinha.

SPECIAL ESSENCE OF MITT

The overall pedagogical practices raised and taken forward in the college have led to the total development and training of the teachers of tomorrow. The college believes in that extra edge effort.

Discipline

Discipline is the key word of this institution. The college wishes to make the student-teachers completely self-disciplined so that the targets and goals of their career can be met and it can also have a profound influence on the lives of others associated with them.

Attendance

Minimum 80% attendance is required for student-teacher in each paper for fulfilling the mandatory requirement of appearing for the final University/Council Examination.

Morning Assembly

The regular routine of the college starts with the Morning Assembly, which includes Morning Prayer, Thought of the Day, Reading out of the Text Message, News Reading, Teacher Talk and ends with the National Anthem. Indeed nothing better than to start the day like this.

Uniform

In order to create and maintain uniformity among the student-teachers in all respects, a dress-code has been introduced for the respective programs. In case of D.El.Ed. students a deep blue colour with white borders has been chosen for both salwar and saree outfit. While deep blue represents sophistication, formality, stability and authority, an essence of white is considered as a symbol of purity, integrity and peace which is associated with positive values in students in general. In case of B.Ed. the chosen colour are shades of grey which represents cool, neutral and balanced and is also the colour of intellect, knowledge and wisdom.

Academic Calendar

The Academic Calendar of the college is self-explanatory, reflects the daily activities of the academic session in order to give heads-up to the student teacher of the curricular transactions.

NSS

Under the aegis of Ministry of Youth Affairs and Sports, Govt. of India and under the tutelage of S.K.M.U., this unit helps to orient the youth members (pupil-teachers) of our college to community service for the betterment of society. The motto of this unit is to place others ahead of oneself. Several programmes are organized from time to time to provide the students a sense of involvement in the task of nation building.

IQAC (Internal Quality Assurance Cell)

Internal quality assurance cell strives for quality improvement of the institution. It takes care of the optimum utilization of resources of the institution. It encourages all the departments and committees of the college to perform with interest and dedication.

Grievance Redressal Cell

Students and staff members of MITT are always welcome to share problems, if they face any. This cell operates efficiently to cater to the needs of students with timely solutions and confidentiality.

Guidance & Counseling

Guidance & Counseling is regularly provided by the faculty members and counselors. Group guidance as well as individual guidance for self-understanding and improvement is regularly available in college premises.

Transferable Skills

CAPACITY TO LEARN: Is developed through inquisitiveness and through the mechanism of 'Learning to Learn'

Use of Information Technology:

Is developed through the proper utilization of computer, projector and I.C.T. enable equipments present in our labs.

Scrutiny and Verification of Documents

An incomplete application form will be automatically rejected. Original documents will be verified by the Admission Committee. Non-availability of any original certificate or mark sheet or CLC/DLC and CC on the date of admission will lead to debarment from admission. Parking Place

Cycles, motor-bikes and cars are allowed inside the campus on exhibiting of the Identity Card by the students at the main gate. The students must be in uniform. Abandonment of vehicles at the parking lot by the students will be considered as a breach of discipline.

Kit for Student-Teacher

On the date of admission the candidate will be provided a Student-Teacher's Kit in which uniform, academic calendar, note pad, pen, pencil, newsletter, rules and regulations of MITT Campus and library details, library card, time table, assignment file covers and invitation to the induction session and get together ceremony will be available.

Induction Programme

A three-day induction programme will be arranged for all admitted students. The induction programme will focus on vision clarity, role clarity, inter-personal communication skills, MITT Rules & Regulations, induction to the MITT family and responsibility of each one, system that operates in MITT, curriculum at a glance and sharing of academic calendar and identification of talents among the student-teachers. It is mandatory for all student-teachers to follow the schedule of the programme and attend the event in uniform.

Mentor and Mentee System

All the teachers are involved in the process of mentoring. The mentor has chalked out responsibilities to take care of all the mentees. They are also satisfied with this system.

Prominent Features

All those candidates who have appeared in the final year examination and whose results are awaited may also apply. However they are required to produce a provisional certificate and necessary mark sheets of the required qualification at the time of respective counseling and admission. Those candidates who do not have their result for qualifying degree shall not be allowed for provisional admission. Admission for B.Ed. & D.El.Ed. Program will be closed on the date directed by SKMU and JAC, Ranchi respectively. Rounding off fractions in deciding the eligibility percentage is not allowed. Candidate who have applied for re-evaluation /improvement of examination result or have appeared in supplementary exams. (reappear in examination) will not be considered for provisional admission.
