## Genesis of MITT

MITT is managed by the Madhusthali Vidyapeeth Trust, Kolkata, which has vast experience in laying the foundation for and developing educational institutions that inevitably achieve glory and recognition. Since 2006, the Trust has been absorbed by the MCKV Group Of Institutions, set up by a group of Kolkata-based industrialists. The Trust has been engaged in charitable endeavours and innovative projects, establishing, maintaining and managing educational institutions with requisite infrastructural facilities for the human resource development of the country with the focus on Jharkhand, Bihar and West Bengal. The group also carries out its social responsibilities by running free institutions for the under-privileged, and providing financial assistance to needy students.

## Mission

To train individuals who would facilitate quality learning in school

To build a strong group of professionals, who would reform the education system with their in-depth knowledge.

To implement innovative thoughts in the curriculum with calculative research on pedagogy and evaluation process of education system

To extend technical support to individuals as well as institutions involved in similar ventures

To become the Centre of Excellence for Library Professionals

## Vision

To modify the education system by adding values through Teachers Training.

## Message from the Managing Trustee

Realizing the scarcity of quality teaching professionals and efforts to strengthening teachers' education, the Trust prioritized the establishment of MITT in 2014. This four year journey of MITT concentrated on materializing the essence of National Council for Teacher Education (NCTE) Regulations 2014, National Curriculum Framework 2009 and National Curriculum Framework 2005, as a result better academic achievements of students and their placement in Govt. and Private reputed schools of the Eastern Zone of India have taken place. MITT has also taken initiative to prepare efficient library professionals who can cope up with the systematic digitalization and manual storage of knowledge for quick search. Hope MITT will soon bring the complete 'HUMAN SOLUTIONS' to schools as well as Teacher Training Institutes(TTI).

## Location

The institute is located at Madhupur, in Deogarh District of Jharkhand. Madhupur is located at the junction of the Eastern Railway. All trains on the Howrah-Patna main line including Rajdhani Express, halts there. The junction is only 80 kms. away from Asansol, 60 kms. from Chittaranjan, and 30 kms. from the famous Baidyanath Dham (Deograh). It takes about 4 hours from Kolkata, Ranchi and Patna, to reach Madhupur.

There are ample opportunities for peer learning, team work, individual study, thematic discussions, seminars, workshops, exposure to ideas and institutions.

There is mutual trust and support, and freedom to each student-teacher and faculty members to be creative and competent in any matter.

The institute is having faculties good academic records, understanding of global perspective of teacher education and exposed to multi-group teaching and training strategies, pursuing research projects and adaptive to dynamic training strategies to transact the curriculum.

### Life on Campus

The campus is aesthetically designed for the students to enjoy the beauty of nature and open spaces. The joyful activities of school children, warbling birds and swaying trees helps everyone to concentrate on and enjoy his/her work. The child-friendly environment and fellow feeling among the insiders lend themselves to the cultivation of a life-style of simple living and high thinking. All types of facilities like weather friendly rooms, safe drinking water, internet service, vegetarian food, laundry and first-aid services are available on the campus.

### Holistic Development at MITT

#### Innovative and personalized teaching

• lively, interesting and participatory classes instead of boring and lecture dominated class.

• Sufficient individual attention to student-teachers' learning over the time instead of regular practice of large group teaching.

• Learning experience in and outside the campus followed by documentation, presentation, discussion and feedback cycle instead of note learning.

• Use of ICT by the student teachers and teacher educators.
